

DECLARATION:

Technaxx Deutschland GmbH & Co. KG takes the protection of its customer data very serious. We would therefore like you to know, when we collect what data and how we plan on using it. Any data you transfer to us is handled responsibly and according to the law, more specifically according to the German Bundesdatenschutzgesetzes (BDSG) and Telemediengesetzes (TMG) of data handling and storage.

1. Data collection and processing

Personal data will only be transferred to the extent you personally authorized. Furthermore, we only collect the data we need in order to uphold the service our company provides for you.

We collect and process the data provided by you in our system for the time the contract is effective, in other words for as long the My Fitness App and fitness bracelet are used. Unless you explicitly allow further processing, your data will be made inaccessible once the contract is fulfilled and deleted after the tax- and trade respites for data storage have expired.

App Usage

In Detail the following Data collected when using the App

- IP address of the user
- Log-In data of you mobile device (including the ID of device)
- Username
- Gender, Weight, Age and Height
- Information about your Bluetooth connection
- Data which is generated by using our App, My Fitness, throughout the use of the fitness bracelet, like Date and Time of the call, amount of data will be transmitted from our fitness bracelet to your mobile device.

To use this app, you must be registered either at iTunes Store or the Google Play Store. Therefore you must have submitted your personal data such as name, e- mail address, etc. Parts of the provided data will be given to us by the online store operators. The collected data will be saved and is necessary for the performance of the contract.

2. Responsible office and contact
